

ASX Release

PARKD Extends Exclusive Licence by 7 days to Formalise Agreement with Fielders

3 February 2025

Highlights:

- **Follows the delivery of Proof-of-Concept projects under 12 month Binding Licence Terms entered into February 2024**
- **Extends the existing Licence Terms for 7 calendar days**
- **Allows companies to finalise Licence Agreement Terms for the manufacture, marketing and sale of its IP**

PARKD Ltd (“PARKD” or the “Company”) (ASX:PKD) announces a 7 calendar day extension of its Binding Commercial Terms with Fielders Steel Roofing (**Fielders**) (a division of BlueScope Steel Limited (ASX:BSL)) for the licencing of PARKD’s Metal Deck Support System (**MDSS™**) and intellectual property (**IP**) following the satisfactory performance of the Metal Deck Support Bracket (**MDSB™**) on two proof-of-concept projects, a condition of the Terms, with the intention the companies to enter into a longer term licence agreement for the manufacture, marketing and sale of its IP.

The Term extension allows the companies to finalise a licence agreement that encompass the binding terms agreed in the current Heads of Terms, refer to ASX release 5th February 2024.

Investors should note that there is no guarantee that a formal agreement will be reached between the parties.

This announcement has been approved for release by the Board of Directors.

ASX Release

ABOUT PARKD LTD

PARKD Ltd (ASX:PKD) is a technology-enabled building solutions business, operating in Australia as a specialist building solutions consultant and as a general building contractor. Its core IP is utilised in the Companies prefabricated construction solution, the PARKD Car Park Structural System, specifically developed for commercial and industrial application.

PARKD has intellectual property rights to aspects of an innovative lightweight concrete “modular” car parking system. The modular aspect of the system and the minimising of structural weight provides the ability to relocate the car park or adapt it to parking demands by adding or subtracting to the structural levels of the car park.

ABOUT BLUESCOPE STEEL LIMITED (ASX:BSL)

BlueScope is a provider of innovation steel materials, products, systems and technologies, headquartered in Australia with operations spread across north America, Australia, New Zealand, Pacific Islands and throughout Asia.

It is one of the world’s leading manufacturers of painted and coated steel products, providing vital components for houses, buildings, structures, automotive and more.

With more than 160 operations and sales offices across 15 countries Bluescope operates a diverse portfolio of businesses in some of the largest and fastest growing economies in the world.
